Does your dog have a lump or bump on or under their skin? While lumps and bumps are more common in older dogs, younger dogs can get them too. 1 Most lumps and bumps are benign (non-cancerous), but some of them can be malignant (cancerous). The older your dog is, the higher their chance of getting malignant lumps.

Notes. The following conventions are used: Cognates are in general given in the oldest well-documented language of each family, although forms in modern languages are given for families in which the older stages of the languages are poorly documented or do not differ significantly from the modern languages. In addition, modern English forms are given for comparison purposes.
